

**4. Knowledgeable Researchers who are providing documented evidence from Scripture and Church History** which supports or defends Oneness Theology, baptism in Jesus Name, and the gift of the Spirit with tongues. I want to **develop a team of researchers who are willing to take the time to read specific books that I will assign.** For example, I'm asking for a volunteer to read the ten books of 'The Church History' written by Eusebius in the early fourth century (about AD 313). The researcher who reads these 10 books will carefully look for all evidence about Oneness believers (Modalistic Monarchians), baptism in Jesus Name for the remission of sins, Holy Spirit Baptism with tongues, and all documentation which he or she feels might be beneficial in defending the Apostolic Faith. I have not completed reading all of the extant books in early Christian history so it would be a tremendous blessing if I could assign brethren (and sisters) to read specific books that I have not read in order to peruse them for the type of evidence I'm looking for. Anyone can read the extant books of early Christian history for free on line at [earlychristianwritings.com](http://earlychristianwritings.com)

**5. We are especially in need of a few brothers and sisters who can read and write in Greek or in Hebrew to provide evidence and answers from the Greek and Hebrew texts.** Even someone from Greece (who knows Modern Greek and English) can be very helpful because Modern Greek is still very close to ancient Koine Greek.

**6. Apostolic Faith Brothers and Sisters who feel called to work as part of our Staff at Global Impact Ministries in Fort Myers Florida.** All of our ministerial staff will have their preaching and teaching recorded and posted on our growing YouTube Channel. We will eventually post our music ministry singers and musicians in our weekly sermons.

We need a Secretary here in Fort Myers, along with assisting Elders, Pastors, Deacons, Teachers, Soul Winners, Singers, Musicians, or anyone who has Video Recording, Sound System, or Computer Skills to help us publish and post the gospel on the worldwide web as professionally as possible, and to assist with our future Bible College Training Center. Our vision is to record our videos in our own professional studio with an expensive recording system and a teleprompter.

**7. Free Bible College:** Our vision is to build our new Apostolic Church with a free in house Bible College to equip and train thousands of Evangelists, Pastors, Teachers, Missionaries, and Christian workers to help spread the true gospel worldwide. Anyone with the gift of teaching who is qualified to teach the whole body of Christ can become a part of our Teaching Staff.

# GLOBAL IMPACT MINISTRIES

## NEWSLETTER SPRING 2019

### WE ARE ONENESS APOSTOLIC IN FAITH

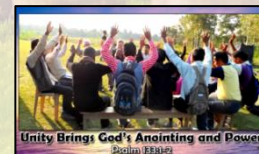

*From the Desk of Pastor Steve Ritchie*

Christian greetings to everyone! I am asking the whole body of Christ to join us in fervent and consistent prayers to conquer Satan's hindering efforts which have withstood the church of the living God for far too long. I'm asking everyone to substantially increase their daily prayer time along with partial or full fasts in which we will focus on binding the strong man in order to "spoil his goods" so that we will have an unprecedented outpouring and manifestation of the Spirit of God throughout the United States and the world.

I'm convinced that the greatest two problems with God's Apostolic Church in America is that many of us are allowing the cares of this life, the deceitfulness of riches, and the lusts of other things to **CHOKES THE WORD** which renders us unfruitful. Click on this Link <https://youtu.be/cTMwbVGy4kQ> to our Video entitled, "Overcoming Christianity".

Unity Brings God's Anointing & Power. The second paramount problem with the church is that we are too divided. Every member of the body of Christ must endeavour to become united with the members of each local expression of the body of Christ in every town, hamlet, and city while endeavouring to keep the unity of the Spirit with God's true Church worldwide. Click on this Link <https://youtu.be/yYTI4wVdKU> for our Video: **Unity Brings God's Anointing & Power.**

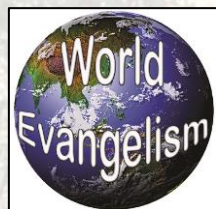

I'm convinced that our entanglements with the things of this world and our lack of true unity are the two major obstacles that our adversary is using to withstand the coming great last days outpouring of the Spirit in the United States and the world. Click on this Link <https://youtu.be/BaW3Jans5Ak> for our Video: Members of One Body of Christ

I'm asking every Apostolic Christian to commit to a minimum of two hours of fervent prayer per day along with periodic fasting so that God will remove the two major hindrances which are holding the Church in America back from great end time revival. I'm asking us to commit to praying the Acts 4 prayer in which the early church prayed together as "one heart" and as "one soul" for our God to stretch forth His hand to heal and that signs and wonders will be manifested through faith in the name of Jesus Christ. After we have set our hearts like a flint to seek the God of heaven, we need to ask the Lord to put it into our hearts to give to world evangelism through sending out missionaries and supporting ministries that are effectively spreading the true One God Apostolic gospel message worldwide through defending and proclaiming the faith on the worldwide web.

## *Our Vision*

### **Our own Oneness Apostolic Faith Apologetic Training Center**

**Without your monthly love offerings we cannot fulfil the following vision....**

**1. APOSTOLIC FAITH APOLOGETIC TRAINING CENTER:** Oneness Apostolic Christians will have our own Apologetic Facility. Unitarians who deny the divinity of Jesus have their own Apologetic Facility in Georgia which they use for annual theological conferences, but we Oneness Pentecostals do not have our own Apologetic Facility for our own Oneness theological seminars and conferences.

**2. ONENESS THEOLOGICAL CONFERENCES AND STUDIO RECORDING CENTER:** We plan on paying the expenses for prominent Oneness theologians to come and teach at our conferences and in our studio center for professional recordings which will be posted on line to equip the saints and to evangelize the lost. Your love offerings will help us pay for prominent Oneness theologians that we plan on inviting such as David Bernard, Daniel Segraves, David Norris, Talmadge French, and Roger Perkins to come to our annual Oneness Theology Conferences to publicly teach professionally recorded lectures along with professionally recorded Television style studio interview recordings. All of our professional recordings will be posted on our YouTube Channel to get the gospel out to the nations.

**3. ONENESS APOSTOLIC PROFESSIONAL STUDIO:** We will have our own professional studio for T.V. style recordings

**4. PROFESSIONAL T.V. CAMERAS AND EQUIPMENT:** We will use some funds to purchase professional T.V. Cameras

**5. APOSTOLIC FAITH DEBATE CENTER:** We will be able to conduct our theological Oneness vs. Trinity, Oneness vs. Arianism, and Oneness vs. Unitarianism debates right here at our own facility.

**6. GLOBAL IMPACT MINISTRIES HEADQUARTERS:** A Headquarters facility will enable us to have our own working staff here in the United States to increase our effectiveness in producing true gospel videos and literature in English and in as many languages as possible before Jesus comes.

**7. APOSTOLIC FAITH BIBLE COLLEGE:** Global Impact Ministries will impact our world by setting up our own free Bible College in which we plan to train and equip an army of Apostolic Faith Ministers to go and preach the gospel around the world.

**8. APOSTOLIC FAITH BIBLE COLLEGE CAMPUS:** We are looking for a facility with sufficient land to construct our own college dorms and add classrooms to start our own free Bible College Training Center where students will be able to afford a professional Pastoral degree without tuition fees. We will see if we can get our college accredited through brethren we know who have Doctorate degrees. However, it really does not matter as long as God's servant leaders are be taught, trained, and equipped under teaching staff that are anointed and equipped by God.

**Your monthly love donations will go into supporting all of our goals**

*Love Offerings Through Many Makes It Easy*

I'm asking 100 Apostolic's to give \$25 per month for the next 5 years = \$2500

20 Apostolic's give \$50 per month for the next 5 years = \$1000

10 Apostolic's give \$100 per month for the next 5 years = \$1000

5 Apostolic's give \$200 per month for the next 5 years = \$1000

Total Love Offerings per month over the next 5 years = \$5,500

Just as "many hands make light work" so "many love donations make a light financial burden."

**We are now approaching 2800 YouTube Subscribers.** All we need is one hundred brethren (and sisters) to be willing to donate just \$25 per month, twenty brethren to donate \$50 per month, ten brethren to donate \$100 per month, and five brethren to donate \$200 per month. At this time, no one is sending in monthly donations.

We are asking God to move about 100 to 150 of our brothers and sisters in Christ to make the above love offerings so we can fulfil our vision to have a greater global impact on our world. We promise you that your love offerings will go into spreading the true One God Apostolic Gospel throughout the world.

**DONATE AND BUY BOOKS THROUGH PAYPAL**

**Anyone can easily set up a small specific reoccurring monthly donation** on our website through PayPal. Anyone can purchase books and give love offerings through credit or debit cards without having to send in checks or money orders.

### ***Soon Coming Debate – Oneness Vs. Trinity***

Former Trinitarian Arabs and former Muslims who are now Oneness believers have been asking to see a debate between Trinitarian apologist Sam Shamoun and I. Mr. Shamoun's ministry is well known among Christians who were former Muslims because he debates Muslim apologists and actively endeavors to minister to Muslims. Mr. Shamoun has agreed to fly down to Fort Myers, Florida to participate in a Oneness vs. Trinity Debate. I believe that the Lord is leading me to debate Mr. Shamoun because this will expose former Muslims to the Oneness Apostolic gospel message. This is a great opportunity for us to get the true gospel out to former Muslims and Christians who are living in countries where Islam is predominant.

Our two debate nights will be held on Saturday and Sunday night July 13th and July 14th from 7:00 pm to 10:00 at the Church of the Cross in Fort Myers Florida located at 13500 Freshman Ln, Fort Myers, FL 33912. Since debates cost money, please consider sending us a love offering to help us pay for these additional expenses.

We need about \$2,000 to purchase two more high quality cameras so we can professionally film the debate from two side angles as well as from the front.

### ***Join Our Team Effort***

**Some of the brethren (and sisters) have been very helpful to this ministry. Please pray about helping us in the following ways:**

**1. Praying for this ministry on a weekly or daily basis.** We greatly appreciate all of those who are consistently praying for this ministry to fulfill its vision to have a global impact that will eventually bring millions into the true One God Apostolic Faith. Please commit yourself to include us in your daily or weekly prayers as the prayers of the saints open the windows of heaven!

**2. Diligently watching most of my videos and reading most of my articles in order to answer critical comments and questions under my YouTube Videos.** I have been spending a huge amount of

time responding to our many opponents under my YouTube videos. I'm asking for volunteers to join me in defending our faith under my videos so that I will no longer feel compelled to spend so much time responding to the many critical comments and questions on YouTube.

My vision is to equip thousands of disciples to defend the faith and to help people see the truth of the Oneness of God, Jesus Name baptism, and the gift of the Holy Ghost with the initial sign of tongues. All I ask is that you spend a few hours per week reading my articles or watching my videos so that you will be better equipped to respond. This will also help you in your evangelistic efforts in your local communities.

If you personally disagree with any of my teachings, please contact me personally by email on our Website Contact Page rather than posting your disagreements on our YouTube Channel for all to see. Just as an Evangelist may disagree with a local Pastor about a scriptural topic but will not openly disagree with him in front of his congregation, so I would greatly appreciate that kind of ministerial ethic from our Apostolic brethren on our YouTube Channel. It looks very bad for our evangelistic efforts when our opponents see Apostolic's arguing and disagreeing with each other publicly rather than working together to reach our world with the true Oneness Apostolic Faith.

**3. Translating my books and articles from English into other Languages.** While many have helped us to translate my books and articles, everyone has quit doing the translation

work except for a Spanish speaking Oneness apologist from Columbia who has continued to translate my book, "The Case For Oneness Theology" from English into Spanish with no monetary compensation. Our vision is to have dozens of people working on translating my books and articles into every language of the world in the coming years. If you can read and write in English and in another language, please consider joining our translation team of workers in publishing the true gospel message in every language on earth before Jesus comes.
